Advocacy & Coalition Groups

Advocacy contains information that assists members with legal, regulatory, legislative and political areas of dentistry. ISDS is a strong and effective voice in state and local politics. This section of our website illustrates how ISDS is reaching out to decision-makers and how you can become part of the process. If you have questions, please contact: [Dave Marsh](#), Director, [Lindsay Wagahoff](#), Associate Director or [Nicholas Honeysett](#), Public Affairs Administrator.
